

**Pennington Borough Council  
Regular Meeting – July 5, 2022**

Mayor Davy called the Regular Meeting of the Borough Council to order at 7:00 pm. The meeting was held via Zoom due to the COVID19 pandemic. Borough Clerk Betty Sterling called the roll with Council Members Angarone, Chandler, Gross, Marciante, and Stern in attendance. Ms. Gnatt arrived after the roll call.

Also present were Public Works Superintendent Rick Smith, Chief Doug Pinelli and Borough Attorney Walter Bliss.

Mayor Davy announced that notice of this meeting has been given to the Hopewell Valley News, Trenton Times and was posted on the door at Borough Hall and on the Borough web-site according to the regulations of the Open Public Meetings Act.

**Open to the Public – Agenda Items Only**

Mayor Davy read the following statement.

The meeting is now open to the public for comments on items on the agenda for which no public discussion is provided. In an effort to provide everyone interested an opportunity to address his or her comments to the Governing Body, a public comment time limit has been instituted for each speaker. **Please raise your hand and when the Borough Administrator acknowledges your name and address for the record. Please limit comments to the Governing Body to a maximum of 3 minutes.**

There were no comments from the public on agenda items.

**Mayor's Business**

Mayor Davy stated that we received a letter from the NJDOT regarding the West Franklin and Knowles Street project advising the Borough that this project has to be awarded by November 16, 2022. Mayor Davy stated that he believes we are on track to meet that date. Mayor Davy stated that resident meeting was held this past week and there are minutes that are in development which will be distributed to Council and mailed out to residents in the project area.

**MAYOR'S APPOINTMENTS**

Mayor Davy announced that Jeanne Van Orman will be moving from Alternate 2 to Alternate 1 on the Planning Board and Amy Kassler Taub is being appointed as Alternate 2 for an unexpired term ending December 31, 2022.

Mayor Davy stated that Planning Board Chair Jim Reilly and Deb Gnatt participated in the interviews for the Planning Board appointment.

Mayor Davy stated that there are three open spots on the Environmental Commission and he is recommending the following appointments.

Mayor Davy announced the appointment of John Valenza to the Environmental Commission for an unexpired term ending December 31, 2022.

Mayor Davy announced the appointment of Jim Fuger as Alternate 1 on the Environmental Commission for an unexpired term ending December 31, 2022.

Mayor Davy recognized Jim Fuger who was in attendance. Mr. Fuger thanked Mayor and Council for the opportunity to serve on the Environmental Commission.

Mayor Davy stated that a meeting was held with the Chico Marciante, Chair of Public Works, Brett Margulis, Chair of Parks and Recreation, Deb Gnatt, Council liaison to Parks and Recreation and Rick Smith to discuss the process for improvements to Sked Street Park. Mayor Davy stated that Brett Margulis as Chair of Parks and Recreation will be putting together a preliminary design for certain improvements to Sked Street Park. Mayor Davy stated that the charge was that Parks and Recreation will work along with Public Works to formulate a plan and from there a community/neighbor meeting will be held to present a preliminary plan and gather input from the residents and from there a final plan will be presented to Borough Council for final authorization. Mayor Davy stated that Mr. Marciante will report further on this, but he wanted it to be clear that Parks and Recreation will be coming up with the plan.

Mayor Davy stated that he has asked Ken Gross and Kati Angarone to look into whether the Borough should remain in the water utility business. Mayor Davy stated that there are a number of regulations coming that will impact the budget and increase costs for capital improvements and maintenance. Mayor Davy stated that they will be working on this with Borough professionals and coming up with a report for Council.

**APPROVAL OF MINUTES**

Council Member Chandler made a motion to approve the minutes of the Special Meeting held May 10, 2022, second by Council Member Gross with all members present voting in favor.

Council Member Chandler made a motion to approve the minutes of the Regular Meeting held June 6, 2022, second by Council Member Marciante with all members present voting in favor.

Council Member Chandler made a motion to introduce Ordinance 2022-10, second by Council Member Gnatt. Mrs. Sterling stated that this ordinance corrects a couple of minor errors that were discovered while processing the retro checks. Upon a roll call vote all members present voted in favor.

Mayor Davy read Ordinance 2022-10 by title.

**BOROUGH OF PENNINGTON  
ORDINANCE 2022 - 10**

**AN ORDINANCE CHANGING THE SPEED LIMIT ON WEST DELAWARE AVENUE AND  
AMENDING CHAPTER 200 OF THE BOROUGH CODE**

**WHEREAS**, upon the recommendation of the Borough Public Safety Committee, Borough Council seeks to amend Chapter 200 of the Borough Code to reduce the speed limit from 35 mph to 25 mph on West Delaware Avenue from Route 31 west to the Hopewell Township line;

**NOW, THEREFORE, BE IT ORDAINED**, by Borough Council of the Borough of Pennington, that Article V, Section 200-23 of Chapter 200 of the Code of the Borough of Pennington, concerning the establishment of speed limits in the Borough, is hereby amended, (with cross-outs indicating deletions and underlining indicating additions), as follows:

1. 200-23. Speed limits established.

Pursuant to statute, the following speed limits are hereby established on the following Borough streets:

Name of Street	Speed limit (mph)	Location
Broemel Place	25	Entire Length
Green Avenue	30	Entire Length
Knowles Street	25	Entire Length
West Delaware Avenue	<del>35</del> <u>25</u>	From Route 31 west to Hopewell Township line

2. This ordinance shall be effective upon passage and publication as provided by law.

Council Member Chandler made a motion to introduce Ordinance 2022-10, second by Council Member Angarone. Mrs. Chandler stated that the Police Department has done a survey of speed limits and compared that to the speed limits on County roads and in order to enforce the 25 mph speed limit the ordinance needs to be amended. Mrs. Chandler stated that the Police Department has done a great job with the speed limit survey and she is hoping that at the next meeting there will be a similar ordinance for stop signs. Mrs. Chandler explained that this is housekeeping to ensure that all posted speed limits are enforceable. Upon a roll call vote all members present voted in favor.

**Committee Reports**

**Planning & Zoning / Parks & Recreation/ Personnel** – Ms. Gnatt stated that the Planning Board did meet but there was nothing to report. Ms. Gnatt stated that she attended the meeting regarding Sked Street Park and though the park is well maintained the sidewalks, bridge and mulch need to be addressed. Ms. Gnatt stated that some of the equipment needs to be upgraded. Ms. Gnatt stated that Mr. Margulis will be putting a preliminary plan together.

Ms. Gnatt stated that Kunkel Park improvements are ongoing with a few more items that need to be done.

Ms. Gnatt stated that two applicants were interviewed for the vacancy on Planning Board, both applicants were great and it was decided to appoint Amy Kassler-Taub.

Mr. Gross asked if any thought was given to hiring a consultant to assist with the plan for upgrades at Sked Street Park. Mayor Davy stated that he talked to Brett Margulis about that and the improvements are small enough that he and the Parks and Recreation group can come up with a plan. Mr. Gross stated that he would wait and see what they come up with, but it might be worth consideration to hire a consultant. Mr. Marciante stated that basically the improvements consist of the sidewalks, the gazebo, the bridge and a merry go round like the one at Kunkel Park.

Mr. Smith stated that there is one important thing to remember about Sked Street Park and that is that it helps with drainage. Mr. Smith stated that every neighboring property drains toward the park and that is why the bridge is there. Mr. Smith stated that the park is typically dry but when it rains, water comes from every direction. Mr. Smith asked that everyone be mindful of the drainage easement as we move through this process.

Mr. Gross stated that if the goal is to spruce up the park and ensure safety that is one thing, but if the goal is to do those things and potentially upgrade and increase utilization of the park, then we should consider hiring a professional. Mr. Marciante stated that Ms. Angarone made a good point that the upgrades are geared towards the younger population and there is an older population that should also be considered. Mr. Marciante stated that equipment for parents to use while watching their children on the playground equipment is something that should be considered especially at Kunkel Park.

Mayor Davy asked if Council was okay with the process as it was laid out or should the Borough consider hiring a professional. Mr. Marciante stated that as this progresses it might be needed, but not at this time. Council Members agreed to proceed as planned.

**Public Safety /Economic Development / Environmental** – Mrs. Chandler stated that Public Safety did not meet but in addition to the speed limit ordinance on tonight’s agenda, the Police Department is working on a survey of stop signs and an ordinance will be on the August agenda if needed.

Mrs. Chandler stated that Economic Development met and discussed a possible lighting ordinance and how that would affect businesses in town and the “get lit” initiative. Mrs. Chandler stated that they have also begun talking about the Holiday Walk. Mrs. Chandler stated that 1 North Main Street is a topic of conversation and they would like the current zoning of retail business to remain in effect and not changed for other uses at this time. Mrs. Chandler stated that they welcomed a new member and got them up and running.

Mrs. Chandler stated that the Environmental Resource Inventory is in the final changes and she has reached out to a couple of people to see how much it would cost to finish up the report. Mrs. Chandler stated that the Environmental Commission has done all they can do on the report. Mrs. Chandler stated that they discussed the noise ordinance and they are looking at other noise ordinances to see how our ordinance can be updated. Mrs. Chandler stated that the Carbon Neutral group is gearing up.

Mrs. Chandler stated that the Arboretum group is moving along, a meeting was held with residents to let them know the plans for the Arboretum. Mrs. Chandler stated that in the next several weeks they are hoping to move ahead with fence installation and tree removal. Mrs. Chandler stated that they are working on getting access to a GPS reader to identify and mark trees that need to be removed.

Mrs. Chandler stated that Excel Environmental presented a preliminary report on the Landfill and she would like to say upfront that this is a very high level report and she is not able to answer any specific questions at this time. Mrs. Chandler stated that overall the findings were consistent with that of a municipal landfill and there were no big areas of concern. Mrs. Chandler stated that there are no surprises, everything can stay as is and nothing has to be removed. Mrs. Chandler stated that areas of concern that were identified were addressed, no issues were found and no further monitoring is required. Mrs. Chandler stated that the next step is that the report will be sent to the DEP for approval. Mrs. Chandler stated that Council needs to decide what the plan is for the landfill. Mrs. Chandler stated that the landfill needs to be closed which would require two feet of fill to cap it but how the landfill is capped depends on the plan for the landfill. Mrs. Chandler stated that we hope to have a public meeting in the fall depending on the DEP approval. Mrs. Chandler stated that Excel Environmental has been asked to do a Letter of Interpretation related to the ditch which will determine what can be built and where and also a flood plain analysis. Mrs. Chandler stated that there are still these couple things that need to be done but so far the results are what we were hoping for.

Mayor Davy asked if there were any questions. Ms. Angarone asked if the report could be shared. Mrs. Chandler stated that the report is still preliminary so Excel did not leave a copy. Mrs. Chandler stated that when the report is received it will be available to review.

Mrs. Chandler briefly explained the layout of the landfill. Mrs. Chandler stated that the development options are open space, solar panels and early on in the process there were some developer’s interested in development of the site. Mrs. Chandler stated that all development opportunities are available but development of the site as residential or retail could be very expensive. Mrs. Chandler stated that right now we can close the landfill with two feet of material and then pursue options for the site. Mrs. Chandler stated that due to the flooding issues in that area, that also needs to be considered.

Mrs. Chandler stated that another thing to consider is that the Fire Company is interested doing more on the parking area that they lease from the Borough. Mrs. Chandler stated that there are exceedances of certain things on the property that do not have removed, but without the two feet of cover nothing can be done.

Mayor Davy invited Mr. Ryan Fraser of 202 Burd Street into the meeting. Mr. Fraser stated that he is selling his house and moving within the Borough. Mr. Fraser stated that he reached out to Hopewell Fire District and found out that they have not resumed inspections of residential homes. Mr. Fraser stated that residents are required to “self-certify” and that requires the resident to hire a licensed electrician for hardwired systems. Mr. Fraser stated that the fire district still charges the same fee for this even though they are not doing the inspection. Mr. Fraser stated that the fire officials who were doing the inspections pre-covid were not licensed electricians and he would like to encourage the Mayor and Council to reach out to the Fire District and ask them to resume these inspections. Some discussion took place about why these services are contracted out and what services are covered under the agreement. Mayor Davy stated that the Borough needs to go back to them and ask that they resume the inspections.

**Public Works** – Mr. Marciante reported that after the water leak on Delaware Avenue he reached out to Mercer County to coordinate the resurfacing of Delaware Avenue and the County Engineer stated that he would reach out to Rick Smith to coordinate scheduling.

Mr. Marciante stated that on Monday the Public Works Committee will meet with a company and view a demonstration of “smart-level” which is a device that can measure the amount of water that flows through the sewer system in certain areas. Mr. Marciante stated that he would like to know if some of the signs in Pennington can be removed. Mr. Marciante asked if speed bumps signs can be eliminated as there are way too many signs identifying the speed bumps. Mrs. Chandler stated that these signs are required by the State of New Jersey. Mrs. Chandler stated that she does not think that the Borough has any signs that are not required.

Mrs. Chandler stated that on Saturday, three days before collection day, there were several cans out, they were overfilled and there was trash everywhere. Mrs. Chandler stated that it has been eight months since the new trash carts were put in place and she would like to see enforcement of the ordinance. Mr. Smith stated that he would have to review the ordinance first but it sounds like a number of regulations are not being followed in this scenario. Mayor Davy suggested gentle reminder to all residents. Mr. Smith stated that public works can leave a notice on the cans that are problems. Mayor Davy asked for a list of residences that were identified. Mr. Smith stated that Public Works will come up with a list.

**Finance & Technology / Board of Health** – Mr. Gross stated that Finance and Technology did not meet. Mr. Gross stated that there is a cross over between Finance and Public Works related to capital projects identified in the Asset Management Plan and road projects and how these projects will be funded. Mr. Gross stated that at the Public Works meeting, Borough Engineer Brandon Fetzer stated that the I-Bank is the best way for the Borough to fund projects and he would be working to set up a meeting with the I-Bank. Mr. Gross stated that he would recommend that representatives from both Finance and Public Works be there including Sandy Webb, Betty Sterling and Rick Smith.

Mr. Gross stated that the Board of Health did not meet. Mr. Gross stated that he was not on Council when the Borough agreed to contract with Montgomery Township for Health Services and he would like to review the agreement with regard to what services they provide. Mrs. Sterling stated that she would provide a copy.

Mayor Davy reminded Council Members that when joint meetings of committees are held and there is a majority of Council, that Borough Clerk Betty Sterling needs to be notified so that proper notice can be given as required by the Open Public Meetings Act.

**Historic Preservation / Library** – Ms. Angarone stated that she had nothing to report for Historic Preservation or the Library. Ms. Angarone stated that she would like to talk briefly about the Communication Plan that Mayor Davy asked her and Nadine to take a look at. Ms. Angarone stated that they hope to have a plan ready for the August Council meeting.

**Senior Advisory Board** – Mr. Davy had no report.

**Open Space/ Shade Tree** – Ms. Stern reported that Open Space did not meet. Ms. Stern stated that the Shade Tree Committee met on June 7<sup>th</sup> and they will be on hiatus for the rest of the summer. Ms. Stern stated that they discussed Pennington Day and the Annual Accomplishment Report which has been completed and submitted. Ms. Stern stated that the group received an update on the grant for planning 20 trees. Ms. Stern stated that due to an emergency in Public Works, Borough Council agreed to hire a contractor to plant the 20 trees. Ms. Stern stated that Mr. Fabian provided a detailed report on tree trimming and pruning. Ms. Stern stated that the Shade Tree group is reviewing all requests for attention to municipal trees and the committee is working towards being more involved in projects that involve tree removal and planting. Ms. Stern stated that the question came up about the difference between a committee and a commission and she is working on getting a definitive response so that if the question is raised again there is a response documented and on file.

Mr. Marciante stated that there is an eleven acre parcel of land that ties into Curlis Lake that could become available and he would like the Borough to consider this property as Open Space. Mr. Marciante stated that it would require coordination with other entities. Ms. Stern asked Mr. Marciante to provide her the information and she would take it to the Open Space Committee.

Mrs. Chandler asked if the Shade Tree Committee could look into a tree ordinance. Ms. Angarone stated that when she was on Shade Tree the idea was proposed and Borough Council was not interested. Mrs. Chandler stated that what a shade tree ordinance would do is protect trees on private property and require approval before removing a tree on private property.

## **COUNCIL DISCUSSION**

**Social Affairs Permit – Trenton Cyrus Lodge** – Mrs. Sterling explained that this is a permit that the Borough Clerk and the Chief of Police are required to sign off on and they come before Council first to ensure that the Borough has no issues with the permit being issued. Mrs. Sterling stated that this permit is

similar to events that the lodge has held in the past. Mrs. Sterling stated that this permit allows a vendor to come in and sell liquor at the event. Borough Council had no concerns with the permit.

Council Member Marciante made a motion to approve Resolution 2022-7.5, second by Council Member Gnatt. Ms. Angarone asked for an explanation as to why we are purchasing so many more carts. Mr. Smith stated that these carts are going to be provided to residents at Pennington Point because they are

smaller and will be easier to wheel to the curb. Mr. Smith stated that the current 65 gallon carts that Pennington Point residents have will be used to replace damaged cans or to provide an additional can to residents. Mr. Smith stated that he has a waiting list of residents with 95 gallon cans that would like to have a smaller can. Upon a roll call vote all members present voted in favor.

**RESOLUTION RESCINDING RESOLUTION 2022-5.20 AND SUBSTITUTING THIS RESOLUTION 2022-7.12 AMENDING AUTHORIZING OF GRANT APPLICATION TO GOVERNOR’S COUNCIL ON ALCOHOLISM AND DRUG ABUSE THROUGH THE COUNTY OF MERCER**

**WHEREAS**, the Governor’s Council on Alcoholism and Drug Abuse (GCADA) established the Municipal Alliances for the Prevention of Alcoholism and Drug Abuse in 1989 to educate and engage

residents, local government and law enforcement officials, schools, nonprofit organizations, the faith community, parents, youth and other allies in efforts to prevent alcoholism and drug abuse in communities throughout New Jersey. In coordination with GCADA, the New Jersey Department of Human Services/Division on Mental Health and Addiction Services (DMHAS) has awarded a Youth Leadership Grant to the GCADA Municipal Alliance Program; and

**WHEREAS**, The Pennington Borough Council of the Borough of Pennington, County of Mercer, State of New Jersey recognizes that the abuse of alcohol and drugs is a serious problem in our society amongst persons of all ages; and therefore has an established Municipal Alliance Committee; and,

**WHEREAS**, the Pennington Borough Council further recognizes that it is incumbent upon not only public officials but upon the entire community to take action to prevent such abuses in our community; and,

**WHEREAS**, the Pennington Borough Council has applied for DMHAS Youth Leadership funding through the Governor’s Council on Alcoholism and Drug Abuse through the County of Mercer;

**WHEREAS**, by Resolution 2022-5.20, approved by Borough Council on May 2, 2022 authorized submission of a grant application to DMHAS for the amount of \$4,330.00, when the correct amount was \$4,430.00; and

**WHEREAS**, the purpose of this Resolution 2022-7.12 is to correct this typographical error;

**WHEREAS**, the Chief Financial Officer certifies that this approval is contingent upon funding in the 2023 Municipal Budget;

**NOW, THEREFORE, BE IT RESOLVED** by the Borough of Pennington, County of Mercer, State of New Jersey as follows:

1. The Pennington Borough Council does hereby authorize submission of an application for DMHAS Grant funding for the Hopewell Valley Municipal Alliance for Year One Grant Term 7/1/22 – 3/14/23 in the amount of:

DMHAS Grant Funding **\$4,430.00**

2. The Pennington Borough Council acknowledges the terms and conditions for administering the Municipal Alliance grant, including the administrative compliance and audit requirements.
3. Resolution 2022-5.20 previously approved by Borough Council on May 2, 2022 is hereby rescinded.

**BOROUGH OF PENNINGTON  
 RESOLUTION 2022 - 7.17**

**RESOLUTION AUTHORIZING CONTRACT WITH BRIAN KUBIN, D/B/A SCORPION OUTDOORS DEER MANAGEMENT FOR CONTINUATION OF DEER MANAGEMENT PROGRAM**

Mr. Bliss stated that this resolution was written on Friday after receiving the quote and it needs to be held until further research can be done.

**PROFESSIONAL REPORTS**

**Borough Attorney** – Mr. Bliss stated that there is a pending motion in the PILOT litigation that is returnable July 22th relative to the scope of discovery.

**Chief Doug Pinelli** – Chief Pinelli had nothing further.

**Superintendent of Public Works** – Mr. Smith stated that the lead service line identification is ongoing, they have done over 300 and have another 200 to go. Mr. Smith stated that another round of letters will be sent. Mr. Smith stated that they have not discovered any lead lines, but they have found some galvanized.

Mr. Gross asked about graffiti that was found at Sked Park. Mr. Smith stated that he has a little more to do but it is mostly cleaned up.

Ms. Stern asked about the funding for replacement of lead lines. Mr. Smith stated that it is really important to identify where the problems are and then work from there. Mr. Smith stated that in connection with the West Franklin and Knowles Street project it is important to check those connections at the same time so that any replacements can be done while the road is open.

**Borough Clerk** – Mrs. Sterling had nothing further.

**Public Comment**

Mayor Davy asked that anyone wishing to speak, please raise your hand so the Borough Clerk can acknowledge you. Please state your name and address for the record. Please limit comments to the Governing Body to a maximum of 3 minutes.

Marjorie Kaplan of Baldwin Street stated that she also serves on the Board of Health and she would like to thank Mayor and Council for their service. Ms. Kaplan stated that she is disheartened to hear a discussion of taking down trees on her street when there has been no public outreach. Ms. Kaplan stated that she understands that an exhaustive discussion with residents on Welling and no discussion has taken place with residents on her street. Ms. Kaplan stated that she is disheartened that prior to the trees coming down on Welling she sent each and every member of Council an e-mail about a discrepancy regarding the meeting minutes and no one responded.

Mr. Ross Gale of 14 Baldwin Street stated that he would like to hear a response as to what is planned for Baldwin Street. Mayor Davy stated that all the Borough Council did tonight was to pass a resolution to authorize a grant application to the NJ Department of Transportation. Mayor Davy stated that there is no project designed as yet, the project will be designed once we know if we have the funding. Mayor Davy stated that if the grant is awarded there will be a meeting with residents of the street prior to design of the project to get input and ideas with respect to the project. Mayor Davy stated that once the project is designed it will be reviewed again with the residents prior to going out to bid for the project. Mayor Davy stated that the project will then go out to bid and come back to Council for award of the project. Mayor Davy stated that at this time there is no project design for Baldwin Street. Mrs. Chandler stated that the timeline is quite long. Mayor Davy stated that the design of the project will likely come in 2024 and there will be a lot of discussion with residents prior to award of the project.

Mayor Davy stated that with regard to East Welling, the Borough Engineer did say the trees would be saved, but in response to notice of litigation from that property owner, an agreement was reached to take down the trees. Mayor Davy stated that the Borough Engineer did not speak out of turn, but an agreement was subsequently reached to remove the trees.

Mr. Gale asked where the agenda is posted as he could not find it on the website. Mrs. Sterling explained that we are using a new software and where to find the agendas on the website. Mrs. Sterling stated that she would work on making it easier to access. Ms. Stern stated that this is a good time to tout the benefits of the new software program and the time that it will save Betty in putting the agendas together and the time it will save the Police Department not having to deliver the packages, not to mention the paper cost savings. Ms. Stern stated that she would like to thank Betty for her hard work in getting the new system up and running and it is definitely an improvement. Ms. Stern stated that she is sorry it did not appear easy to find this time, but we will work on improving that.

Mr. Frank Sweeney of Baldwin Street stated that there is a sign on their street that is covered with a garbage bag and he would like to know what is under the bag. Mayor Davy stated that is a detour sign that was left from the Welling project until the work that was authorized tonight could be done.

Mr. Sweeney stated that the stretch of Welling where the trees were taken down looks very different now. Mayor Davy stated that new trees are being planted. Mayor Davy stated that every member of Council has driven on Welling before, during and after the project.

Mr. Sweeney stated that with regard to lead lines it is important to get information out so that residents can understand who is responsible for the funding and so forth, because property values could be impacted. Mayor Davy stated that we are currently in the process of identification and then we will be able to provide more information. Mayor Davy stated that the letters that went out were to gain access to residences because we don't know where the lead or galvanized lines are and we need to conduct these inspections.

AT, 9:04 PM, with no further business to come before Council Member Marciante made a motion to adjourn the meeting, second by Council Member Chandler.

Respectfully submitted,

Elizabeth Sterling  
Borough Clerk
