

**BOROUGH OF PENNINGTON
RESOLUTION 2008-4.17**

**RESOLUTION AMENDING THE CONSTRUCTION
RULES AND REGULATIONS OF THE PENNINGTON
BOROUGH WATER AND SEWER DEPARTMENT
PERTAINING TO WATER SERVICE**

WHEREAS, the Pennington Borough Water and Sewer Department is responsible for the enforcement of standards for the installation, maintenance, repair and replacement of all water meters in use in the Borough;

WHEREAS, Borough Council has introduced an ordinance prescribing means to ensure that water meters are installed, maintained, repaired and replaced in accordance with the Rules and Regulations of the Pennington Water and Sewer Department, which shall be consistent with State regulations and applicable standards of the American Water Works Association (AWWA), as determined by the Borough Engineer;

WHEREAS, pertinent rules and regulations of the Department include "Construction Rules and Regulation - Application and Design Instruction" and "Construction Rules and Regulation - Standard Details," both effective December 2000;

WHEREAS, the Borough Engineer has prepared amendments to these rules and regulations, consistent with State regulations and AWWA standards, which (a) prescribe a standard form of application for water service and a related checklist which, among other things, will assist in the sizing of water service lines and meters in accordance with uniform standards, and (b) provide detailed sketches of standard design details for a range of different water service installations and meters;

WHEREAS, Borough Council seeks to adopt and approve these amendments and the Rules and Regulations of the Department as so amended;

WHEREAS, Borough Council also seeks to ensure that the Rules and Regulations of the Department are consistent with State regulation and applicable industry standards as determined by the Borough Engineer;

NOW, THEREFORE, BE IT RESOLVED, by the Borough Council of the Borough of Pennington, that the Construction Rules and Regulations of the Pennington Borough Water and Sewer Department are hereby amended as follows:

1. The rules and regulations entitled "Construction Rules and Regulation - Application and Design Instruction" are amended to include the attached "Water Meter Installation Checklist" and application form prepared by the Borough Engineer, Van Note-Harvey Associates.

2. The rules and regulations entitled "Construction Rules and Regulation - Standard Details" are amended to include the attached drawings described as "Borough of Pennington, Pennington Water Company, 'Water Meter Installation Standards'" and having the following respective titles:
