

# Hopewell Valley Green Team and Hopewell Township Metal Recycling Event Saturday February 10, 2024, 12-3 PM

**Location: Hopewell Township Public Works Building**

**Enter from 203 Washington Crossing-Pennington Road and follow the signs toward the rear of the site.**

## Household Scrap Metal Collection

Do you have metal waste items in your house or garage that you are not sure how to get rid of? Our Household Scrap Metal Collection may be just the thing you need! You can bring your metal waste to us at the Hopewell Township Public Works Building on Saturday, February 10, 12:00-3:00 p.m. and we will make sure it is recycled for you.

**What can you recycle? The rule of thumb is anything that is at least 60% metal. And nothing with wood nor anything that might be considered hazardous such as batteries or propane tanks.**

### Acceptable Items include:

- Metal Fencing, Gutters, Aluminum Ladders
- File Cabinets, Canopy Tent Frames
- Pots & Pans, Irons
- Christmas Lights, Household Electrical Cords
- Bottle Caps, Bent Nails, Rusted Bolts
- Clean Aluminum Plates & Pans
- Piping, Solder, Zinc Cuttings
- Construction Scrap
