

Hopewell Valley OEM Everbridge Nixle

Emergency Alert Program

Get alerted about emergencies and other important community news by signing up for our Emergency Alert Program. This system enables us to provide you with critical information quickly in a variety of situations, such as severe weather, unexpected road closures, missing persons and evacuations of buildings or neighborhoods.

You will receive time-sensitive messages wherever you specify, such as your home, mobile or business phones, email address, text messages and more. You pick where, you pick how.

Emergency Alert Program: Frequently Asked Questions

What is the Emergency Alert Program?

This service allows you to opt-in to receive notifications via phone calls, text messaging, e-mail and more based on locations you care about. You can choose to receive notifications about events that may affect your home, workplace, family's schools and more.

When will it be used?

This system will be used to notify you about imminent threats to health and safety as well as informational notifications that affect your locations or work environments. Administrators will send notifications regarding severe weather, flooding, gas leaks, significant police activity, road closures and more.

Will I still get emergency notifications if I don't sign up?

If you don't create a username and password, you will receive notifications only by the methods that are on file for your Organization. Meaning enter your contact information at least.

What if my phone number or email address changes?

The system is only as good as the information you provide. If your contact information changes, you can always visit your profile and update your information. You can contact HoVal OEM at 609-537-0299 as well.

Will my contact information be shared with others?

No. The information that you provide will be used only for this Organization for notification purposes. We will not give or sell your contact or location information to any vendor or other organization.
